Summary

.NET expert with a solid one-year background in Flutter, emphasizing the creation of clean code and robust architecture. Bringing two years of proficiency in front-end web development using the Angular framework. Skilled in .NET and Node.js, demonstrating hands-on experience in crafting applications. Recognized for a successful track record in teaching and mentoring students across various programming languages.

EXPERIENCES

- **Assistant Lecturer | XTeam.**
I have assisted students in fixing and understanding code in front-end web development.
Provided revisions based on past lectures:<https://www.youtube.com/watch?v=2VjW5B78y7Q>
- **Java Course Instructor | AOU.**
We conducted a 3-hour Java basics course for university students.
Course Highlights: <https://www.youtube.com/watch?v=CSzSU-gPTOM>
- **Flutter GDSC | GDSC Google.**
They led a Flutter section at GDSC Google, instructing 80 individuals in Flutter and guiding them to build their first applications.
YouTube: <https://www.youtube.com/watch?v=WlJ3kGXd8Vs>
- **First step in programming | GDSC Google.**
Explain to students the steps to be a good programmer
